

# US 50/550 Montrose Resurfacing Project

# US 50/US 550 Montrose Resurfacing Project

## Project Overview

- The Colorado Department of Transportation and United Companies have scheduled a resurfacing project in Montrose County along US 50 and US 550 that passes through the city limits of Montrose.
- The project limits are on US 50 from Mile Points 86.0 to 91.70, including the frontage roads, and on US 550 from MPs 126.4 to 130.1

# Project Schedule

- Work is scheduled to begin on **May 15** and is expected to last until **September 30, 2022**.
- Normal working hours will be **Sunday through Thursday night from 7:00 p.m. to 7:00 a.m.**

# Travel Impacts

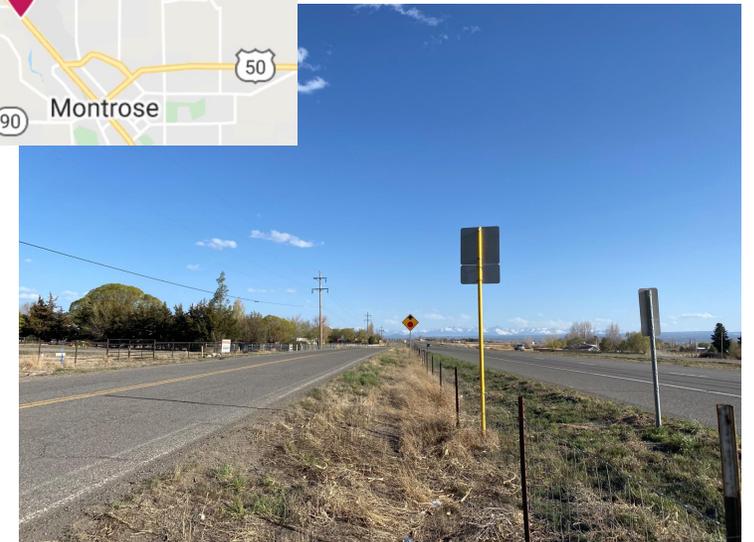

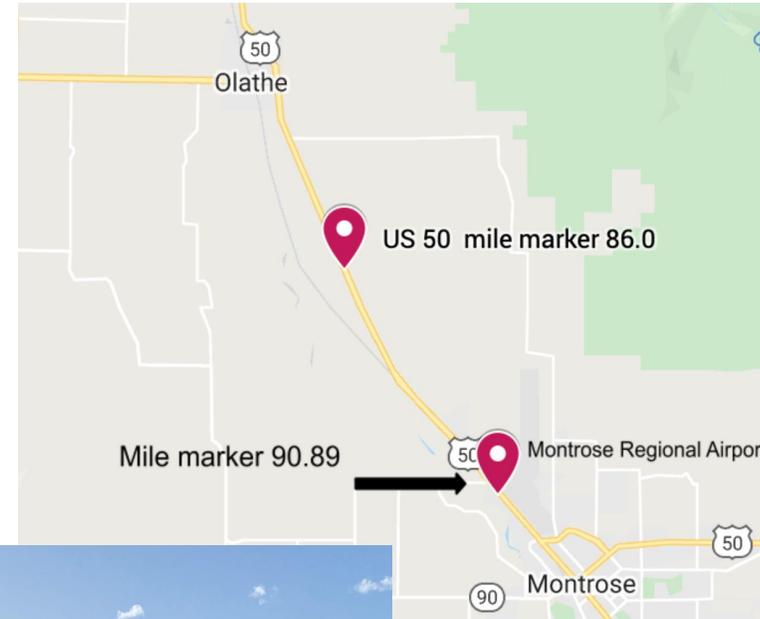

- **Lane closures** are only allowed **at night**.
- **No detours anticipated**. Motorists may encounter alternating lane closures with wait times up to 15 minutes during night work.
- **Two (2) through lanes in each direction** and turn lanes will remain **open during the day**.
- **Loads wider than 12 feet** will be restricted through the work zone **Sunday through Thursday night from 7:00 p.m. to 7:00 a.m.**
- Businesses will be provided with access during their normal work hours.
- Temporary alterations to access may occur **during construction hours only**.

# US 50 Overlay

## 2-Inch Overlay

- **Begins at mile marker 86**, located just north of the intersection of 6075/Harvest Road and US 50 between the Town of Olathe and City of Montrose
- **Ends at Mile Point 90.89** just north of the entrance to the Montrose Regional Airport.
- **This includes the frontage roads.**

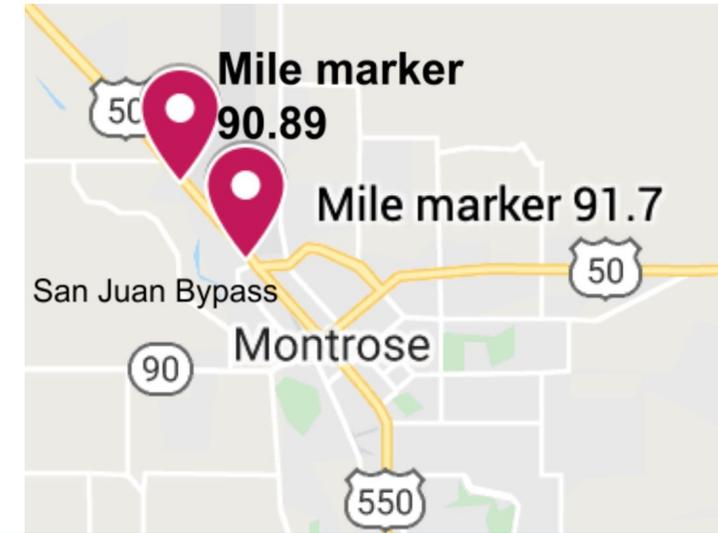

# US 50 Mill and Fill

## 2.5-Inch Mill and Fill

- **Begins at Mile Point 90.89** just north of the entrance to the Montrose Regional Airport.
- **Ends at MP 91.7** just north of the San Juan Bypass
- The San Juan Bypass intersection will not be resurfaced.

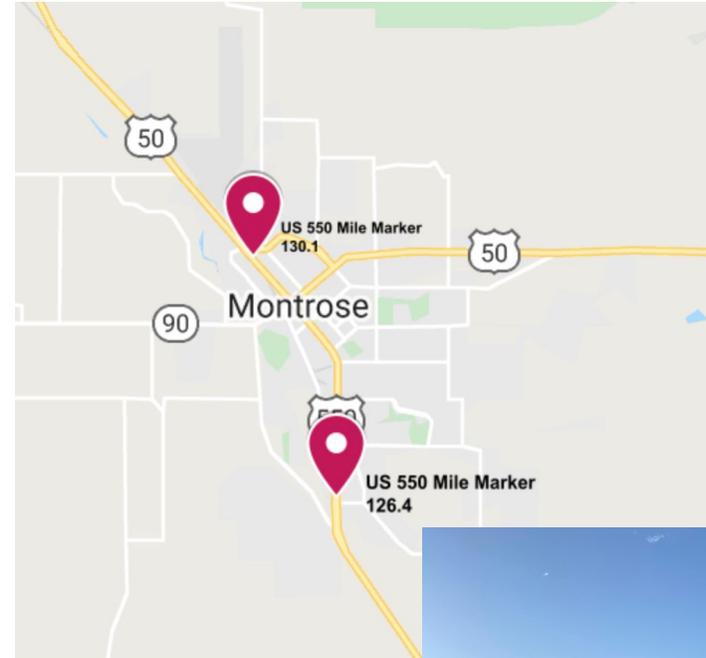

# US 550 (Townsend Avenue) Mill and Fill

## 2.5-Inch Mill and Fill

- **Begins at Mile Point 126.4** near Otter road on south side of the City of Montrose.
- **Ends at MP 130.1** just south of the San Juan Bypass intersection
- The Main and Townsend intersections will not be resurfaced.

# Benefits and Safety Improvements

- The project will improve the drivability for motorists on these busy stretches of highway in Montrose County.
- Repairs will be made to the Cedar Wash Bridge, near the south City Market and failed road section at the Encanto Place intersection near Murdoch's.
